

HOW CAN YOU **SPEAK UP FOR EDUCATIONAL CHOICE?** **SIGN UP** FOR THE **CATHOLIC ADVOCACY NETWORK**

www.micatholic.org/can/

Join thousands of Catholics across the state to promote policies that provide parents with educational choices for their children and ensure all students are given a chance to succeed. Advocate for an end to the state constitutional ban on aid to non-public schools. Support reimbursement to non-public schools for state mandated services, preservation of the Michigan Tuition Grant Program, and other policies that seek to improve school choice options.

Michigan Catholic Conference and the Catholic Advocacy Network have continually fought for non-public schools and improved educational choices at the State Capitol. Last legislative session, advocacy efforts helped expand shared time services and dual enrollment opportunities for non-public school students.

Through the Catholic Advocacy Network, you can communicate easily with your elected officials and stay updated on issues debated in Lansing. It's free and easy! Policies are constantly surfacing that affect the education of Michigan's children, as well as religious liberty, human life, economic justice, and immigration, so please take a few moments and sign up today.

CAN is an outreach of the Michigan Catholic Conference, the official public policy voice of the Catholic Church in Michigan
