### Examples of Beneficiary Designations

If you feel that none of the examples below fit the type of beneficiary designation you want, please send a detailed description of what you propose to Prudential.

Use the term:

- 1. **"My Living Children"** if you want all your children (born or adopted of any marriage) living at the time of payment to equally share the benefit. This will also include all such children born or adopted after you completed the form. Do not include the names of your children if you use this term.
- 2. **"My Living Trust"** if you want to designate your Living Trust. You must also give the name(s) of the Trustee(s), name(s) of the successor Trustee(s) (Trustee and Successor Trustee cannot be the participant), the date of the Trust Agreement and the address if a bank or trust company is the Trustee.
- 3. **"My Testamentary Trust"** if you want to designate the Trust in your Last Will and Testament. Do not name your Trustee.
- 4. **"My Estate"** if you want the benefit to be paid to your estate.
- 5. **"(Name), Per Stirpes"** if you want the payment(s) to be paid up to and including the second generation of descendants. For example, if a beneficiary in such class is not living when a payment is due, such payment will be made in equal shares to any living sons and daughters (born or adopted of any marriage), of such beneficiary. If there are no living sons and daughters of such beneficiary when a payment is due, payment will be made to the estate of the last to die of the participant or such beneficiary. An example of a correct designation would be Jane Doe, Per Stirpes.
