TAKE CARE OF YOUR LOVED ONES AND UNLOCK AMAZING TAX SAVINGS

A DCFSA empowers you to set aside pre-tax money from every paycheck to help pay for dependent care expenses. A qualifying ‘dependent’ may be a child under age 13, a disabled spouse, or an older parent in eldercare.

PUT MORE MONEY IN YOUR POCKET
Each dollar you contribute to your DCFSA is tax-deductible. That means you could potentially save as much as 30 percent or more on qualified expenses. Don’t think of it as money deducted from your paycheck—think of it as money added to your wallet.

Know your options
- DCFSA elections can only be made during open enrollment (unless you have a qualifying life event)
- Choose the amount you want to contribute, then your employer will deduct that amount pre-tax in equal parts from each paycheck over 12 months
- Unused DCFSA dollars are forfeited to your employer, so it’s important to plan ahead
SAY GOODBYE TO HASSLE
When you use the WageWorks mobile app, you can have your dependent care provider sign receipts right from your mobile device.
