REMINDER!

It was announced in July that the MCC Employee Benefits Program has been rebranded as **MiCatholic Benefits!** While the benefits have not changed, there is a new name and visual identity that reflects our mission to provide an engaging and accessible employee-focused benefit experience. The Employee Self-Serve (ESS) site has also been rebranded as the **MiCatholic Benefits** portal, which allows you to:

- Enroll in benefits when newly eligible
- Update benefit elections during Open Enrollment
- View your current benefit elections and covered dependents
- Perform and save Lay Employees' Retirement Plan (LERP) estimates
- View your beneficiaries for the LERP and Life Insurance plans
- View your profile and update your email address
- Link to MCC Benefit Plan information and contacts

If you have not already done so, you will need to change your password in the new **MiCatholic Benefits** portal before open enrollment. Simply visit **micatholicbenefits.com** or scan the QR code, click **Register,** and follow the prompts.
